

5 things you can do to thank the ocean

Learn about the ocean: visit the www.thankyoucocean.org website, a library or aquarium.

Experience the ocean: swim, sunbathe, surf, boat, dive, fish, play or just sit and contemplate.

Respect the ocean: take care where you step, don't disturb sealife that live on land, water or air.

Choose the ocean: Recycle, conserve water and remember that everything ends up in the ocean, so don't litter.

Make a difference: participate in a beach cleanup, write your lawmakers or join an ocean organization.
